Dr. Joe Zydowsky
SDMA District Administrator

Re: My Retirement Plans

This is to inform you that I hope to retire from employment with the School District of the Menomonie Area on June 30, 2023. I wish to receive the retirement benefits for which I qualify.

I am grateful for the opportunity to work in the Menomonie Area School District not once, but twice in my career. From the fall of 1992 to the spring of 1994 I worked as a school psychologist. In August of 1998, I was hired as the assistant principal at Menomonie Middle School. I was offered and accepted a transfer to Oaklawn Elementary where I have been principal since the summer of 2003.

I am grateful for the professional development opportunities the school district has provided for me over my career. I will greatly miss working with the highly qualified SDMA staff and school board.

Thank you for your consideration in this matter.
