Requested Agenda Item: Discussion – Segregation in Classrooms

Purpose of Agenda Item: (Examples may include: Informational or briefing [e.g. Receiving numerous emails on subject]; Proposed Policy Change; Scoping-breakdown a plan; Problem solving-Risk/Issue/Challenge; Status-Revisit commitments).

It has been brought to my attention by an elementary teacher at our last board meeting that she was segregating students based on mask usage and that it would be easier for her if all wore a mask. She specifically said the classroom was divided down the middle.

Additionally, two other constituents brought it to my attention that this goes on at the Middle School also. I think it is worth a board discussion.

Description of Agenda Item:

Discussion – Not allowing segregation of any kind.

Include any supporting documentation that you have.
